Commissioner for Patents

Response to Restriction/Election: NON-RESPONSIVE (BONAFIDE ATTEMPT LETTER)

Applicant's response dated 7/16/04 to the restriction/election, electing Group I, without traverse is acknowledged, however, this response is not fully responsive to the prior Office action because:

**applicant failed to elect a species for the Group I invention as required in the previous office action (dated 6/16/04: pages 5-6).**

Since the submission appears to be a *bona fide* attempt to provide a complete reply to the prior Office action, applicant is given a shortened statutory period of ONE MONTH or THIRTY DAYS from the mailing date of this letter, whichever is longer, to submit a complete reply. This shortened statutory period supersedes the time period set in the prior Office action. This time period may be extended pursuant to 37 CFR 1.136(a).
